

Dear Parents of Grade Students:

With much excitement and anticipation, we are making preparations for another trip to France with the upcoming seventh grade students. Next year we are planning to travel to Paris, the Loire Valley, and southwestern France over the Easter vacation (Date of the Trip). Our trips from past years remain a special memory for the students who participated, and we are looking forward to providing this opportunity to the students who will be in seventh grade next year.

For the coming year we have chosen to travel with A la Carte Travel, which is owned and operated by a Frenchman, René Piard, who is passionate about revealing the many wonders of his country to American students. Mr. Piard now resides in the United States and comes well recommended. Those who have traveled with him before emphasize how carefully he tailors each trip to the specific needs and wishes of the group. Mr. Piard is putting the final touches on our itinerary, and he has proposed some wonderful educational experiences for our students.

We shall schedule an information meeting to tell you more about our exciting plans and to answer your questions in detail.

For now, it would be most helpful to know how many people are interested so that we may distribute applications and brochures. The ideal number of students for a trip is twenty-four, with a school chaperone for every six children.

In order to help us with our preparations, would you please complete the attached form to let us know of your interest in the trip? We do not have a finalized quote, but for twenty-four students, we expect the cost to be in the neighborhood of \$ plus some additional expenses for such things as tips, snacks, lunches, and unplanned excursions. If you are interested in receiving more information about the trip, please return the form below to Your Name by Date.

An information packet will be distributed to you with details of the trip, an upcoming meeting, and how to register.

If you have any further questions, please feel free to call Your Name at Your Number. The ladies in the Your School office do not keep abreast of the most current information regarding the trip, so please use the number above for any of your questions between now and April. You may also send an e-mail to Your e-mail

We are looking forward to this fabulous trip. It should be a valuable learning experience for the students and a memorable time.

Sincerely,

Your Name

Please provide me with a packet about the your school Name Tour for Date of the tour.
